awards

In 2014 the Rhein-Gymnasium was honored for the first time with the "MINT friendly school" award for its work in the MINT department.

Learning concept

Instead of normal homework, the students at the Rhein-Gymnasium are given weekly assignments, they can complete the tasks in an extra hour and then have to do the rest at home. If there are problems with the weekly schedule, you must ask the subject teacher.

Schoolband

You can start your own band at the Rhein-Gymnasium. They meet once a week to practice pieces. Pieces can then be played at celebrations.

rowing club

The Rhein-Gymnasium has had its own rowing club since 1850. The sixth graders go on a so-called rowing trip. First a lot of hiking racing was done then also racing rowing.

school merch

The Rhein-Gymnasium has its own school merch. It is a sweater in many different colours with the school logo on it.
