## OUR School

Our School is in Jülich, exactly in Düsseldorf.

The river Rhine flows behind the Rhein-Gymnasium. That's a very great view! ❤️❤️

There is also a cafeteria in our school where there are lots of food. There is usually a long queue in the Cafeteria.

But don't forget the best place in the school: **the Spaceball!**

The Spaceball is good for climbing.

All the kids want to be first on the Spaceball during break. This is really fun!

Our School is very big. There are many classes from G8th to G12.

- Of course we have a lot of classrooms.
- At lunch we have a big school.
- But there is a separate building for sixth called the **Pavilion**.
- We have a lot of teachers in our school.
- We have very nice teachers at our school.

❤️❤️❤️

## Our school

Our school is big but it isn't new. My teacher's name is Mr Poschen and Mrs Wegener. We've got an art room, a computer room, a physics room, and a recording studio. The name of our principal is Mr. Hermann.

Our schoolyard has a big schoolyard and a cool climbing frame. The Rhein-Gymnasium is next to the River Rhine. We can't in the lunch break to go in the building. We can play in the outside. Our school has got a cafeteria and a Kiosk. Don't forget your chip for the lunch!

← The rowing club.

We have got lots of clubs: A keyboard club, a fit club and more.

← This is Mr. Hermann.

**awards**

In 2014 the Rhein-Gymnasium was named for the first time with the "MINT friendly school" award for its work in the MINT department.

**Learning concept**

Instead of normal homework, the students at the Rhein-Gymnasium are given weekly assignments they can complete the tasks in an extra hour and they have to do the rest at home. If there are problems with the weekly schedule, you must ask the subject teacher.

**schoolband**

you can start your own band at the Rhein-Gymnasium. They meet once a week to practice pieces. Pieces can then be played at celebrations.

**rowing club**

The Rhein-Gymnasium has had its own rowing club since 1950. The club members go on a so-called rowing trip. First a lot of hiking was done then also racing rowing.

**school merch**

The Rhein-Gymnasium has its own school merch. It is a sweater in many different colours with the school logo on it.
